

Press release

tricontes Group acquires majority stake in Bestseller GmbH

(Munich, 16.05.2018)

The outsourcing specialist tricontes Group acquires the majority of shares in Bestseller GmbH.

Bestseller was founded in 2003 by Bernd Dittmann and Susanne Kreiss and has established itself as a specialist for complex issues in B2B sales. Around 100 employees currently work at two locations, Dornach (near Munich) and Neuss, blue chip customers, predominantly in the IT sector.

Managing Directors of Bestseller GmbH are Susanne Kreiss and Christoph Wainig. More information about Bestseller at www.bestseller.de.

As a result of this strategic step, the tricontes Group is expanding its service portfolio and regional coverage in Germany. In addition tricontes is expanding its value chain.

About tricontes Group GmbH:

Customer relationships in a new dimension - with more than 400 employees, tricontes delivers tailor-made solutions for sales and service in contact management.

As a powerful partner, tricontes offers an individual portfolio for the development of sustainable customer relationships and the implementation of efficient processes - from initial development to the implementation of complete CRM solutions.

The key sectors of the company are telecommunication, commerce, media / tech, finance, healthcare and utility sectors.

The company is headquartered in Grünwald (Munich). Subsidiaries of tricontes Group are located in Munich, Augsburg, Dornach (Munich) and Neuss.

The group management consists of Klaus Gump, Dirk Scholand and Christoph Thiem. For further information: www.tricontes.com
